Welcome

Dear colleagues,

On behalf of Alexderma group ; it is our great honor to welcome you to the **9th Alex Dermatology & Cosmetology conference** that's held on **9-10 May 2024** , Our venue is **Hilton Alexandria Green Plaza**.

We promise to provide an outstanding scientific program that will refresh and renew different aspects of Dermatology and Aesthetic Dermatology.

We shall do our best to keep you updated about the latest modalities in this field. Debate and updates in different therapeutic techniques will be elucidated by experts in different fields. We hope the conference will be fruitful and that your collaboration with experts will result in an outstanding scientific experience.

Looking forward to seeing you in Alexandria.

Speakers INSTRUCTIONS

Congress halls will be equipped with:

A laptop with Microsoft Windows 11 and Microsoft Office 2019.
Internet access will NOT be available inside the meeting rooms.

To ensure that the meeting progresses smoothly, please follow the following instructions:

- All presentations should be recorded on a USB flash memory (preferred) or CD-R.
- Please save presentations in PowerPoint 2007 or later format for PC.
- Upload your presentation early to the Audiovisual Center (RM Events) as we will load the presentations to the hard drive of our systems before the sessions by one hour.
- No personal laptops are permitted for presentations.
- In case you have problems with your presentation(s), please do not hesitate to contact the IT support team (RM Events).

SCIENTIFIC *Program*

Ruxotop 1.5%

Ruxolitinib 15 mg/g - Cream

Ruxotop is the First and Only FDA approved topical treatment for Vitiligo in Egypt.

IN EGYPT

The prevalence rate of vitiligo is 1.2%.²

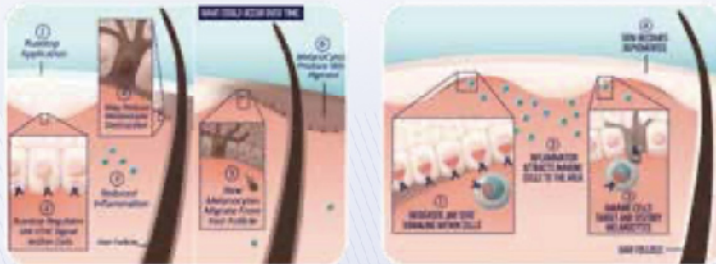

INDICATIONS AND USAGE

RUXOTOP® 1.5% is indicated for the topical treatment of **Non Segmental** vitiligo in adult and pediatric patients 12 years of age and older.

MODE OF ACTION

RUXOTOP® 1.5% is a Janus kinase (JAK) inhibitor, Selectively inhibits JAK1 and JAK2 which mediate the signaling of a number of cytokines.

IMPORTANT ADMINISTRATION INSTRUCTIONS

• Instruct patients to apply a thin layer of RUXOTOP twice daily to affected areas of up to 10% body surface area.

• RUXOTOP® 1.5% cream can be applied to sensitive areas like around the eyes, mouth, and genitals.

• Limit the amount of time that patient spends in the sunlight.
• RUXOTOP® 1.5% is not recommended in combination with therapeutic biologics, other JAK inhibitors, or potent immune suppressants such as azathioprine or cyclosporine.
