Speakers INSTRUCTIONS

Congress halls will be equipped with:

A laptop with Microsoft Windows 11 and Microsoft Office 2019.
Internet access will NOT be available inside the meeting rooms.

To ensure that the meeting progresses smoothly, please follow the following instructions:

- All presentations should be recorded on a USB flash memory (preferred) or CD-R.
- Please save presentations in PowerPoint 2007 or later format for PC.
- Upload your presentation early to the Audiovisual Center (RM Events) as we will load the presentations to the hard drive of our systems before the sessions by one hour.
- No personal laptops are permitted for presentations.
- In case you have problems with your presentation(s), please do not hesitate to contact the IT support team (RM Events).
