WHO WE ARE

RM Events is the First company in Egypt to specialize in medical information technology support. It was established in 2002 & proved in a very short time, through its well-trained team and employees, that quality rules.

Through the past years, the company gained a large market share within Egypt & Middle East.

Nowadays, RM Events is a brand in the Field of Conference Organisation & Information Technology Support.

RM Events is a leading provider of state-of-the-art audiovisual solutions. We represent the top service providers, and we’re happy to help you assess your equipment needs and make the best possible decisions. Our technical expertise and level of personal service can’t be beaten.

OUR MISSION

With decades of experience managing conferences for associations and scientific research organizations, RM Events is uniquely suited to help you develop strategies to take your conference to the next level. As your long-term partner, we listen to your goals, work with your committees and draw on historical data and our global relationships to build a solid foundation to jump-start your conference. We also take advantage of the latest tools and technologies to streamline the job of putting on your conference. From a centralized database for all your participants and transparent financials, to historical profiling, promotional tools and tailored conference planning manuals.

OUR VISION

Whether you’re planning a scientific conference or an annual association meeting, each event is unique and requires a strong foundation to make it a success. To make sure your conference meets your goals, objectives and unique logistical requirements, you need a proven partner with experience in your field to help strategize and plan all elements of your next event. That’s where RM Events can be your expert guide.
OUR PHILOSOPHY

Providing a tailored service inclusive of all your events and conference management needs. Our team has experience in many fields, ranging from marketing to technology, and we have created a positive business impact simply by integrating all disciplines.

OUR CONCEPT

From concept to completion, we're truly vested in your success in everything we do.

RM IN NUMBERS

The following facts and statistics highlight RM Events' activity throughout the years. You will get a closer look into how many conferences we have organized, as well as the locations, broken down by the year.

19 YEARS OF EXPERIENCE

880 NATIONAL CONFERENCES

65 INTERNATIONAL CONFERENCES

126 LIVE TRANSMISSION HOURS
MEDIA PRODUCTION

RM Events has its in-house media production department, fully equipped with the latest equipment in the field of photography, videography, lighting and audio. The professional team for the video editing uses the world renowned video editing software and production tools.

IT SUPPORT

RM Events has the ability to provide a full range of state-of-the-art interpretation equipment for all of your audio-visual and translation requirements. We understand the importance of clear, concise communication, as well as the varying needs of our clients, which is why we offer a variety of tools and equipment to support any occasion such as: business meetings, conventions and conferences, training seminars, courthouses, site tours, workshops, trade shows and more.

THAT’S WHERE RM EVENTS CAN BE YOUR EXPERT GUIDE.
WEBINARS:

During these unprecedented times, one thing is certain. We have had to adapt! We are fully committed to delivering a high quality experience to our professors and colleagues.

RM Events offers you an engaging online event where a speaker, or small group of speakers, deliver a presentation to a large number of audience who participate by submitting questions, chatting, responding to polls and using other available interactive tools no matter where speakers or audience are located.

We offer you everything you need for great webinars, quick and easy event management.

Common features of webinars include:
- Multiple presenters.
- File sharing.
- Live chat for attendees.
- Screen sharing for presentations videos, animations, etc.
